Name of class you're applying for: \_\_\_\_\_

**Briefly answer the following questions. This may be typed or neatly handwritten.**

Why are you interested in pursuing study in herbal medicine?

Please list your herbal training. If you are trained in other healing modalities, please tell us about them.

- In your herbal training, what aspects have excited you?
- Tell us about your favorite Herb book?

What occupations in the past have you had?

Do you have a formal education? What is highest level completed (i.e. High School diploma, B.A., M.A., PhD, etc)?

Courses at Ohlone are taught at a college level in English. Homework assignments involve reading and writing, reports and assessments. Generally students need 1-2 hours of study per hour of class to complete the course on time. Are you able to structure this into your schedule?

Please list any clinical experience in any modality?

Can you make a solid commitment to the entire length of the program? Do you have enough money to pay for class, books, food and other living expenses?

Our classes involve gentle day hikes and field trips. Students spend a lot of time together car pooling, cooking and eating together. Students come from multiple social, economical, spiritual and cultural backgrounds. At Ohlone we strive to a school that has respect and tolerance for all people regardless of their lifestyle. Do you see any problem with this?

Where did you hear about us?

Deposit:

To secure your space in the program, a deposit is required. Please see our website for the deposit amount of the specified program. Full payment is required by first class.

If the Ohlone Center is not able to guarantee you a space in the program, your deposit will be refunded promptly.

Thank you! We will follow up on this application with an interview in person, if possible, or on the phone. We look forward to getting to know you!
